

violence against women

recognize the signs,
learn about local services
and pathways out of violence

On the **International Day for the Elimination of Violence against Women**, the **Wasi-Casa project** is offering an awareness afternoon aimed to teach all women how to recognize the signs of situations of violence, and to inform them about the services they can turn to that are active in the area of Milan and the pathways out of it. The meeting will be held simultaneously in **English, Portuguese, Spanish** and **Ukrainian**.
